CONTEST LEVELS

There are two levels offered:

1. Grade 11
2. Grade 12

Teachers are reminded that the Contests are intended to challenge your best students; they are not meant as a class-wide activity.

TOPICS: See the Business Studies 2006 Curriculum Document. All overall and specific expectations may be covered in the contest.

ELIGIBILITY FOR ACCOUNTING CONTESTS

Open to any student who is enrolled in or has completed their first course in Accounting. The student may not currently be taking nor have taken a second course in Accounting.

2. GRADE 12 CONTEST ELIGIBILITY

INSTRUCTIONS AND CONTEST INFORMATION

Each school may enter a total of up to FIVE (5) students per Accounting section per level, to a maximum of 30 per school per level. The rationale is to enable all qualified and capable students to compete. Non-programmable calculators may be used.

1. Both Contests will be one and a half hours in length.
2. Both Contests will be composed of 100 multiple choice questions.

Case studies with multiple choice answers may be included as a part of the 100 questions. A written tie- breaking question will be included as part of the one-and-a-half-hour Contest. The written tie-breaking question will only be used to determine the top provincial rankings.

All Contests will be graded out of 100, with one mark allotted for each correct answer.

ACCOUNTING CONTEST PROCEDURES

1. Student Registration

As soon as the registration date has been set, OBEA Members can log into the OBEA Website and then go to the Contest Registration page to begin the registration process.

The Registration Process:

- input number of classes
- input total number of students
- submit

Upon submitting the form, the system will automatically generate username/password combinations for each of the registrant “slots” that the teacher has reserved. This will be shown on screen as well as emailed to the teacher’s email address on record. Note: Please do not submit the Contest Student Identification Form for these registrants.

2. Contest Writing

Once the student logs into the system, the questions and answers will be displayed five per page. Once a screen of questions and answers has been submitted, a dynamic paging system will be displayed at the bottom allowing the student to return to previous pages to review their answers. Once the student has answered all the questions, they will be presented with a screen prompting them to log out. At this point, the Contest is complete.

3. Contest entry forms are not required for the Accounting Contests unless specifically requested.

4. Read through the regulations and suggestions with the contestants. This material will be available on our Website closer to the Contest date.

NOTE:

The Chartered Professional Accountants organization is the sponsor of the Accounting Contests. Please do not involve any other Accounting organizations in any Award Ceremonies.

Participation in the grade 11 or 12 Accounting Contest can be used as a Specialized Business Certification in the completion of the SHSM program.
