

Hi

Educators, what can CPA Ontario do for you?

BUSINESS AND CAREERS EDUCATORS:

- [Teacher Colleague Program \(TCP\) - free of charge](#)
- Classroom resources such as case studies and assignments, applicable to Accounting, Business, International Business, Entrepreneurship and Careers courses
- Information posters for classrooms

REQUEST A VIRTUAL CPA WORKSHOP:

- [Book an engaging 30 minute workshop for your grad 10, 11 or 12 classes](#)

STUDENTS:

- Financial Literacy workshops on saving, debt, goal setting and more
- Career development resources designed to prepare students to succeed in their future career
- Competitions to develop soft skills and win prizes
- Events to meet CPAs, build their network and learn about the profession

NON-BUSINESS STUDENTS?

A CPA designation can still be an option for students who are planning on pursuing a degree in a different subject or want to keep their options open. All they need to start is a 120 credit hour degree from a college or university
