

OBEA CONTEST GENERAL INFORMATION 2022-2023

*OBEA Contests meet the criteria
for a Specialized Business
Certification and/or Experiential
Learning Component of the
SHSM Program.*

Updated October 2021

FROM THE CONTEST COORDINATOR...

Dear Business Educators:

The past school year continued to be one of challenges and change! On behalf of the OBEA Executive, I want to thank you for your hard work and dedication in promoting Business and Computer Studies in Ontario and participating in the OBEA Contest program.

Your efforts provide opportunities for over 25,000 students taking Business courses to compete in Contests which recognize individual student achievement. The pandemic caused OBEA once again to pivot in order to meet the current needs of students and teachers in Business Studies programs. Thank you to teachers who once again made the required adjustments so that students could participate in the many contests that OBEA hosts. We wish to acknowledge the contribution of the CPA in the preparation of our Accounting Contests and their financial support of all the Contests. Our Contest Chairs work closely with this organization and their support is appreciated. Be sure to read the Contest rules carefully so that you are aware of any changes that have been made for this school year.

Please Note:

- OBEA Contests geared to students in grades 11 and 12 meet the criteria for a Specialized Business Certification and/or an Experiential Learning Component of the SHSM program.
- Teachers should submit entries for ongoing Contests directly to the Contest Chair, not their District or Regional Liason.
- For the Accounting Contests, a limit of five students per section/level per Accounting course in the school, to a maximum of 30 students per school per level will be in place (e.g., maximum of 30 for the Grade 11 Contest and a maximum of 30 for the Grade 12 course). Please keep in mind that Contests are administered by volunteers – we simply do not have the internal capacity to process large volumes of entries. Contest ID forms should not be submitted for participants.
- For ongoing Contests, a maximum of five (5) entries per Contest per school will be in place.
- The **Contest Student Identification Form** and **Media Release Form must be completed IN TYPED FORMAT** (to ensure accuracy) including a permission release signature that needs to be completed by the student (if age 18 or over) or the parent (if the student is not of legal age). This is a legal requirement to allow OBEA to release the winner's name and the Contest entry becomes the property of OBEA.

Included is a chart of important dates for your convenience. There has been considerable discussion pertaining to the dates of the Contests. Please do not schedule Contests on dates other than the dates outlined in this schedule. Contests entries not submitted by the submission date will be disqualified. Students who place first through third will continue to be recognized when health protocols permit.

After six years of coordinating OBEA's contests, I will be stepping down from this role. If you or anyone you know would like to take on this challenge, please contact one of the members of the executive. If you have any suggestions or questions, please feel free to contact me, or the individual Contest Chairperson. Contact information is included within the following pages. Good luck with your District Contest Program!

Sincerely,

Debralee Lloyd-Graham
